

#### **2.4.2 Faculty Research Grants**

The college has a financial assistance program for full-time faculty members pursuing summer study, research, travel, and other scholarly pursuits including teaching improvement innovations or work toward an advanced degree. The VPAA with the advice of the Committee on Faculty Study and Research allocates these funds. Applications are available in the Office of Academic Affairs. Deadline dates for submission of applications are listed on the forms and are ordinarily in mid-September and late January. (Refer to Faculty Study and Research Policies, Section 2.7.)
