

Office of Residence Life

Mission Statement

We are dedicated to providing safe, secure and comfortable residential communities that support and enhance student academic performance and social development. We promote respect and responsibility among individuals and encourage students to learn from one another to become model citizens.

Core Responsibilities

- Room assignment/lottery
- First-year roommate pairing
- Student Staff selection, training and supervision
- Initial disciplinary action for violation of residence hall policies
- Initial counseling for residentially-based issues
- Residence hall damage assessment
- Summer conference scheduling and support
- Renovation and equipment replacement
- Greek/Social organization advising
- Access system management
- Budget/room rate management
- Facility maintenance through work-order system
- Residentially-based educational programs

We strive to balance competing interests:

General Fund budgetary needs vs. Residence Life fiscal needs

Customer service vs. Encouraging students growth and development

Summer renovation and building preparation vs. Summer revenue

Facilities vs. Programs

Needs of the many vs. Individual needs
