

2006-2007 Verification Worksheet Federal Student Aid Programs

Your application was selected for review in a process called “verification.” In this process, we will compare information from your federal application (FAFSA) with signed copies of your and your parent(s)’ 2005 federal tax forms and with the data provided on this worksheet. Federal statutes require that we ask for this information before awarding federal aid. If there are differences between your application information and your financial documents, we may ask you to send in corrections on your Student Aid Report (SAR) or we may send corrections electronically.

Using accurate data from tax returns, W-2 forms, and other documents, fill in this worksheet, sign it (student and at least one parent), and return it as soon as possible.
